This web site provides a wide variety of resources about academic ethics and internet use. Resources include academic codes of ethics, self-reflection exercises, classroom discussion guides, a sample letter to the college president and an informational fact sheet. * The Plain View research report, Plight of the Primary Care Physician: Re-engineering the Delivery of Health Care, confirms a host of challenges facing primary care providers in the 21st century. Why Apple, and not Google, needs to make an Apple Watch - freddavid ===== kimburgess I wonder how I will feel if it's a Google-branded smartwatch. There are plenty of benefits to a Google watch (any Google watch, including Google Glass if that's still a thing) but I don't want it to be a _Google_ watch. It should be owned by Apple and only Apple. The "Apple" brand is so much more positive and distinctive. CHANNING TATUM Cousin Charming: there's a lot to say. Cousin: He's really something.
