
Warhammer 40k Codex: Salamanders - Warhammer Community

The Salamander's Codex supplement adds a wide selection of both new and old units to the game, as well as a host of rules and stat blocks. A couple of boxes ago I looked at what the Salamander was getting, now it's time to take a closer look at the Imperial Fists, the army that the Salamander exists to support. Unlike the Salamander, the Imperial Fists have received relatively little attention from fans and despite the apathy, the army is as brutal as ever.
