

---

May 15, 2017 4:00 PM Hello! We recently updated the CM 6.40a driver and updated License Manager tool to solve the ARCHICAD issue. 20 licensing ... we are working on updating this tool. Sincerely, ARCHICAD Support Team ----- Konstantin Govorun This means that when you update, you will not have 2 licenses, but 4, that is, you can make ARCHICAD work on 3 different computers.----- So, if you want to make 4 licenses, then you need to buy 2 new licenses. What if you want 5 licenses? You need to buy 2 more licenses. Konstantin Govorun
