Q: Can I use a solid fill with LinearGradientBrush? I am trying to set a LinearGradientBrush to a control, and then, I want to change the Fill property to SolidColorBrush. It does not work, which is the same as setting a SolidColorBrush. Is there some workaround or a workaround is even possible? A: The fill property is set with an XmlElement. Try this: Just remember that if you change it in the XAML, it won't persist unless you recreate the brush. If you need to make lots 3e33713323
