Malayalam is a Dravidian language spoken in the Indian state of Kerala and the union. 13th century AD is the earliest attested form of Malayalam. London and the Prabhat is a translation from English commissioned by the Royal Indian Society, published in 1908. The author expresses his deepest gratitude to Dr. Roy Robertson (one of India's most eminent and respected scholars) for providing him with these invaluable books and commentaries. The author does not in any way claim to consider himself an expert in the history or linguistics of the Malayalam language or in the history of Malay civilization.
