V16 Professional Full version, 1 licence Windows CAD Add to shopping list Print Email product . represents a new generation of CAD/CAE software for circuit design. TARGET 3001! has been created to meet the requirements of professional design engineers. Not sure if KeyCreator, or TARGET 3001 is the better choice for your needs? No problem! Check Capterra's comparison, take a look at features. My advice to everyone who wants to start with a new software: Do NOT take Target 3001. Go with a far more professional product like KiCad or CircuitMaker. Nov 12, 2020 -Büro Friedrich released TARGET 3001! for professional designers and engineers who prefer a simple yet fully functional CAD tool for circuit .
