mach3 r3.042.036 .rar And we just have everything in English. Well, that seems to be all. I already had an English version - "trouble in the marshland" ("difficulties in the swamp"). "A trouble in the marshland" was a mistake in my english, and I have a translator. But then I thought that for the English "trouble in the marshland" sounds somehow too rustic, and "A trouble in the marshland" is somehow too gloomy. Therefore, I settled on the version that I got.
