SDMittens used an autocopy and exploit script called LuckyGUI. Onett didn't ban her from Bee Swarm, but he's still against Roblox TOS. She is a fraud. ã How do you feel about her using LuckyGUI? I do not know what it is. I know it was hacked. ã Do you think "Roblox TOS behavior" is acceptable for a player who uses LuckyGUI? It's not my business to decide. And I don't want to discuss it either. ã Do you think her actions are unacceptable? No. It's none of my business. I do not want to discuss it. ã Do you think that her actions towards you are acceptable? It's none of my business. I do not want to discuss it. ã Do you think that her actions are
