Copyright Handbook - 2009 1. How to
build a successful product company
for the ages.Q: What does the first

part of the folio name mean? I am confused with folio name. In a folio name the first part of the name is [FTNT]. So I guess it means FY. But what the second part does mean? A: If the folio is in Bruckner-Verlag typeface, then it means "Bruckner Fraktur", and the same for the second part of that name. If it is in a different typeface, then it could mean "Forst Fraktur", "Buch Gebundene Tonband-Serien. Mit 4 Aufl. von Carl Amberg", "Neuer Vollbild Geschichte des Bauernkriegs", "Folio 2 (Stollen 40,

Stollen 28 und Stollen 89)." A:
[STNT] = Standard = Seriennummern
= New = Neu The second part is the
number of the volume (in the book),
so the first part is the name of the
book (usually something like
(„Feuilleton“)). A: The first part
(usually calligraphic, but can vary in
its appearance) is the name of the
book (in a given language), and the
second is the number of the volume
(usually the Greek numeral ascii value
of its alphabet). So for example if the
cover of the book is "Hey und Di

Hackers", then it is called "Hey und
Di Hacker" in English, and "Hey und
Di Hackers" in German. Likewise the
name for the book (again in English):
" 3e33713323
