The British have been fighting for centuries in their war against 'the Hun.' This one is even bloodier as they captured more than 20,000 Germans in the First World War. I couldn't believe I'd never heard of any of this! ? Haha I've been to sites like this and learned a lot, especially after looking at this one. My husband loves history and we were talking about it last weekend. He thought the history of India was interesting. I guess seeing these kind of sites is a good way to learn about other places. yeah. after reading up on it, it really is a well known fact that India used to fight on two fronts, the British one in Europe and the other in the South-East Asian region. although it is not in this site, there is an area in South-East Asia, known as the Malay World. i was actually surprised that i hadn't heard of it, either. yes. in that region, what we now call the Malay world, there are a number of different countries, and i am thinking about what's going on now with the Indian border shooting. lol! a QMDA model in an industry may be identified with the QMDA 3e33713323
