Add *Budapest* to the list of the world's most attractive cities The third largest European metropolis – Budapest has been welcoming tourists for centuries, and not without good reason. Still, if you haven't visited it yet, it is time to add it to your list and take in its beauty. A vibrant and cosmopolitan city with beautiful architecture, excellent transport and a plethora of interesting places to visit. Budapest is a special treat for everyone. Check out the main highlights of Budapest There are plenty of things to discover in Hungary's capital – here is a list of what you should include on your agenda: *The castle* The most well-known landmark in Budapest is its castle – Buda Castle. Its beautiful gardens were designed by Andrásy in 1837, with the two towers of the castle only finished in 1910. Check out the place with its impressive views over the city. *The Buda Side* If you like something more intimate, turn to the Buda side of Budapest. You can do some sightseeing or visit the famous Matthias Church and the St. István's Basilica. Take the river and go on a cruise, and you'll see the wonderful architecture of Budapest. *The Pest Side* Of course, Pest is not just the name of a neighbourhood, but a lively and culturally rich part of the city, which you should include on your itinerary. This part of town is also home to the Parliament, the Tower and St. Martin's Cathedral. *The Jewish Quarter* From medieval Budapest, head to the Jewish Quarter – the Budapest synagogue was built in the 16th century, and the underground hideouts of the Jewish ghettos are well worth seeing. *Hungary Farm Tours* The oldest part of the country is that of the fertile farmland, and you should visit it in summer – on a tour around the world. There are many different such tours, and you can experience everything from horse riding to organ and brewery tours. *Via Ferrata* If you have a fear of heights, then you'll love Budapest's Via Ferrata. These are the famous cableways that you can get to use – enjoy hanging on the cable car while seeing Budapest from above. *Budapest by Night* If you want a unique experience of the city, then go visit it at night. ClassleSoft YouTube Downloader is a video downloader, which allows you to save any YouTube video for offline viewing. It is one of the best all-in-one YouTube downloader tools that has all required downloader functions. Multimedia is taking over the world. There are apps to watch movies on your phone, apps to watch movies on your tablet, and apps to watch movies on your TV. For the past several years, Nintendo has stood as the party pooper, providing no YouTube streaming app for the Wii. They finally saw the light, and they are streaming YouTube on the Wii U! The new YouTube app offers a bit more functionality than the old version. First, you can now download videos to the Wii U storage. You are going to use those videos to watch later on! You can't download multiple videos, as there is only enough storage to fit one at a time. If you use the YouTube app and have lots of apps installed, you might need to uninstall some. The YouTube app is only available in the Wii U YouTube app, not on Wii U Mode. You can open YouTube at any time by pressing X. And you can update the YouTube app on the Wii U, as well! That's right, you can do things like update the app, remove it, or uninstall it. You will probably want to uninstall the app and download the new one again if you decide to go back to the old YouTube app. Now that the sun is rising, time is passing by very fast. Lucky for you, we've compiled a short list of the best music apps for your day. Mumble Mumble is a great chat app for the Xbox One and the PC. You can chat with up to 100 of your closest friends and throw in a song as a response. The app is free, but the sound quality can vary depending on the connection. Don't worry, though, Mumble is still one of the most reliable chat apps for the PC. Mumble: Free We don't suggest playing a game while browsing the web. If a website has a game that you'd like to play, you can download the App and it'll launch directly into the game. And, with your friends list, you'll always be able to go right back to browsing. Jak & Daxter Trilogy If you want to explore the early days of gaming, you might want to
