is the link where you can download the software. In this case it is "Prisma". - And where did you find it - I wondered. - Here on the Internet. - Well, if so, then okay. And what kind of program - I asked. - It creates photos in a retro style. I looked at the screen. On it was already finished "masterpiece. - That's great! - I exclaimed. - But that's not all. The program can create other photos, but with a different style. - And I have it," I said, "but it's too big. - It's okay. I told you it's...
