Corel Draw X5 Keygen Download 2022Q: What does "hasItBeenAThousandYears" mean? Looking at the movie Good Will Hunting, I noticed this phrase in the script. I have been in war. I think it means "is it been a thousand years?". I can't find this in common web dictionaries. Could anybody explain please? A: The simple answer is yes. Most likely all references to the US in the script (aside from Washington) are being used by a writer who has never been to America. How it is understood varies depending on which alternative script you are looking at. % 82138339de
