GiftScrapper Crack Torrent (Activation Code) Free Download [Win/Mac] [2022]

=====> *** GiftScrapper allows you to download facebook gifts in bulk, regardless of how many gifts you need for the occasion. It extracts gifts from facebook wall posts, and makes them as simple to use as the facebook card messages. If you are tired of searching for gifts from the facebook wall, you should take advantage of the giftscrapper application. *** =====> *** The web based application has an iPad version if you want to use it on your iPhone, iPad or any mobile device. *** =====> *** It has all the tools you need to help you find, extract and store gifts from facebook. You can choose the gifts you want to download, and the app will go to work and start extracting gifts from facebook for you. *** =====> *** The application can extract the gifts from the wall posts and save them to a few different data formats. The user can store the gifts locally (attachment), on their local hard drive, and/or send the gifts to the web based inbox (Gift Scrapper Mailbox). *** =====> *** If you are a new user, you will receive the application in your inbox upon successful registration. *** =====> *** It scans your friends wall from the facebook application for wall posts that have gifts in them. Once the wall post is found, you just tap the wall post and select the gifts you want. *** =====> *** You can save the results in several different formats as well. It saves the gifts to the inbox with the attachments in the wall post. It also saves the gifts as a zip file for easier download. *** =====> *** This application also converts the gifts into the standard card format, so you can send the gifts to friends right away. *** =====> *** * The application converts the wall posts into the card format and allows you to send a link to your friends or allows you to send the gifts right to your inbox. * You can add lots of cards into your browser (using the Send to FB software that can be downloaded from the Application, or the Send to FB button on your mobile application) * You can send the card or gift items using the FB app or the mobile application * All the gifts are saved locally on your computer or into your mailbox =====> *** The application offers a very intuitive user interface. It takes you to a wizard where you can choose the amount of gifts you wish to collect and choose the gifts you wish to collect. You can start collecting the gifts now, and come back later to harvest them

GiftScrapper FAQs: GiftScrapper is a 3d UI app. This offers the convenience of having a clean simple interface without the overhead of a gaming platform. GiftScrapper is not a facebook gift seeker. It's a gift acceptor. GiftScrapper is an ad supported app. Getting started with GiftScrapper is easy. Just click the add games link to get started. GiftScrapper will pick up your gifts and add them to the games list. It will also gather the description of the games as-well. When finished you can send it to the open tray. You can then accept the items you want to and pick them up. GiftScrapper Features: * Scrape Facebook games for gift items! * Change the quantity of items you want to harvest in one shot * Automatically add gifts to your collection! (Note: If you want to add gifting to your facebook games, you can do it using the facebook profile option) * Supports single- and multiplayer gift gathering games * Works seamlessly with the facebook application * Does not collect any private information. The only data you get back is the game description and the amount of gifts. * Automatically display the amount of gifts you have in the games list (only visible for administrator users) * Pops up to 50 times a day for you to pick up gifts. * Can be used in a silent mode to have GiftScrapper run in the background. * The app is fully customizable with more features to come in the future. Games List Scraping Status: * File permissions are set so it can only scrape the games list. The developer will probably be adding more permissions soon Note: The application has a few different gifting options for games.
