
assault by stabbing the complainant with a knife. Section 22.02 of the Penal Code provides that a person commits an aggravated assault if he or she commits assault as defined in section 22.01 and “(1) causes serious bodily injury to another; or (2) uses or exhibits a deadly weapon during the commission of the assault.” TEX. PENAL CODE ANN. § 22.02(a) (West 2011). Viewing the evidence in the light most favorable to the verdict, we conclude that a rational trier of fact could have found beyond a reasonable doubt that Appellant committed aggravated assault of a law enforcement officer by striking the complainant with a knife. Further, viewing the evidence in a neutral light, we conclude that the evidence is not so weak as to render the verdict clearly wrong and manifestly unjust or that the contrary evidence is so strong that the standard of proof beyond a reasonable doubt could not have been met.
