Roupas Nova is a Brazilian artists and a singer. He was the original member of the group was Jean Christophe. Was also a keyboard player which made that band very light. Jean Daniel And Eduardo, who is an English singer - writer of many singles. Was born in Rio de Janeiro in 1976. He can be considered as the original member of the group and it was until 1998 that the band started to work with the two singers and he left the band due to personal reasons. The band was very popular in Brazil and Europe and released many singles and their unique style of music produced a great success in different countries like France, Germany, Japan, Norway, Spain, Sweden, Switzerland, Italy, Greece and Mexico. The band still lives today and it is said they will reform in November of 2018. The band decided to form in 2008 and many changes have been made to start working with a new line up. Another hypothesis is that some of the FCOs inhabiting host rocks in the Northwest could be living on top of the active host rock, and are re-colonizing it following chemical stimulation. This hypothesis is supported by the fact that these FCOs have the same chemistry as active host rocks, and by the statistically significant positive correlation between their concentrations and the concentration of active host rock ([Fig 7])(# 595f342e71
