Prison Simulator – the new game of the legendary Escape genre! As a prisoner you are going to a monster prison – a workhouse where death is waiting for you, but you have never died yet, have you? In Prison Simulator the goal is to escape. The only way to do it is to move in the cell block, to change your cell and find the opening. Your prison is in the middle of the ocean, and you know, but it doesn't really matter, if you die somewhere else. The only thing that matters is: "to escape or not to escape?" You need to survive till the end of your escape. Remember, only one can survive in Prison Simulator. Features: – great feeling of freedom and the sense of action – 3 unique levels of the game – 6 unique types of your cells – various types of equipment – special doors – useful tips and tricks – various weapons – different types of enemy – 5 different ways to dying – you can choose, to do something else, then your game will be all different – very simple and easy to control The app is in development stage and we add new features to the game regularly. It is possible, that some functions in the game are not perfect. Prison Simulator is just a demo, that we released because we want to know from you, what we can do, to make a game of such genre perfect. If it will be your kind of game, let us know to you, so we can focus on it and your opinion may help us to make Prison Simulator better game. We are always looking for new developer to join us, because we are running out of ideas, and we need professional help. We believe in fair gameplay and we are working hard to achieve this. We hope to make Prison Simulator the perfect prison simulator! Please contact us: PrisonSimulator@trendspott.com @PrisonSimulatorTeam
Note: – The game is designed to be played on iPad/iPhone/iPod touch – The game will be released on Google Play Store soon – This is the only

Description: inmate academy is an open-world game where you are a prison guard. It aims to be a fun and intuitive game for the average gamer. Prison City is a sandbox open world game where you play the role of a prison warden. It is a game where you choose to take prisoners from their prison and build your own prison and do whatever you want with them. Particularly the prison itself is a very well crafted game and you are able to build a prison that is unique in it's way to create a truly realistic prison simulation that is realistic in it's gameplay and feels that you are in a prison full of real inmates that you need to keep in check and set to good behaviour. Instruction For Prison Simulator Do you know how to get it? Do you want to play Prison Simulator? Download it right now! Prison Simulator is now available! All I can say is that this game is phenomenal! The main problem is, they need to add more weapons in the main menu. Because there are only about 20 weapons to choose from, it's not that great. Prison Architect is a city building simulation game where you get to play the role of warden in a maximum security prison. If you are looking to play a prison management simulator, then you can't go wrong with Prison Architect's demo version. The demo comes with a couple of challenges that will help you understand the core of Prison Architect. Prison simulator - Free Download. Download. Free. A Man in Prison Simulator is a 5 minute, single player, prison management game. You are a warden in a maximum security prison, trying to make sure the inmates behave themselves, and that they obey all of your rules. But, at the same time, you need to keep an eye out for the inmates so that they don't breach the rules and you need to establish trust with the inmates in order to keep them in line. Download Prison Simulation and check out the features! This is my prison simulator review and I have to say, that this game is pretty good! But I played the

demo first so that I wouldn't be disappointed with the game. It's a sandbox prison simulator where you take on the role of a prison warden.
