High-speed linear and nonlinear rheological measurements were used to characterize the effect of roasting, steaming, and deep-frying on the elastic (G*) and viscous (G″) moduli of chicken fillets. The results of high-speed rheological studies showed a significant (p Friday, November 3, 2010 We have a new 2011 car! NICE! The car in the series is the 2011 Toyota Camry. I am going to present a bit about the car itself in this post, but there will be a lot of posts about the cars in the series soon as well, especially focusing on the Toyota
