FIFA 23 features "The Journey," the most ambitious and comprehensive journey mode ever released in the FIFA franchise. The complete story includes new gameplay mechanics and you will play, for the first time, as an entire team instead of a single player. The Journey includes new ways to play, such as the way you will make the pitch your own, how to build and control your customisable player, and how to decide what team you will represent in The Journey. The new Ultimate Team features, including Draft Mode, Edit Mode and Online Draft, will also be available to players who own FIFA 14 and FIFA 15 Ultimate Team as well as FIFA 16 Ultimate Team. FIFA 18 introduced the Ultimate Team, the most compelling new feature in the franchise. The game's new online mode, FIFA Ultimate Matchday, is based on the brand-new "in-match experience" -- a set of three different modes, each unique and designed to provide players with more choice and more reasons to play and interact with each other. *All EA SPORTS games have EA SPORTS GOLD** and are tested and approved by EA on various platforms. All EA SPORTS games are also "Play Anywhere," so players can play on their favorite devices. *Due to regional availability and options, certain features and services shown here may differ by country. In FIFA 18, you'll play with your own avatar and make their moves. You can take the power of the crowd into your own hands with new match-day atmosphere, supporting your team with crowd chants and cheering. *All EA SPORTS games have EA SPORTS GOLD* and are tested and approved by EA on various platforms. All EA SPORTS games are also "Play Anywhere," so players can play on their favorite devices. In FIFA 18, the real-world squad is revealed through the FIFA Intelligence tool (which uses the EA SPORTS Season Ticket in-game service) and you will build your own player. With the unique "PlayStation Move Motion Controller" you'll be able to move and control your virtual player in real-world FIFA gameplay in a way never seen before. *All EA SPORTS games have EA SPORTS GOLD* and are tested and approved by EA on various platforms. Create your Ultimate Team by gathering players from more than 1,000 players in the Global Pro Clubs, European Leagues, National Leagues, and international club competitions. Earn coins for FIFA Ultimate Team by using your gameplay to score goals, pass to teammates, and create more than 30 unique player celebrations. Manager Mode - Choose the right tactics, coach players, manage your transfers, and get the best out of your squad. As a player, your manager has a big influence on the game, as you are able to join matches, speak to players, manage your team, and score goals during a match. FIFA Ultimate Team - Ultimate Skill Games (USG) - In addition to FIFA Ultimate Team, EA SPORTS FIFA also includes Ultimate Skill Games (USG) to deliver exceptional gameplay on all platforms. Discover and unlock more than 40 skills to master, including sliding, dribbling, head and long-range shots, headers, and scoring hat-tricks. MULTIPLAYER One of EA SPORTS FIFA's most dramatic additions is the all new story driven, single-player, online experience, which supports up to 32 players in custom online matches over local wireless. Pitch-side Exhale - The game introduces a brand new way for your players to perform on the pitch. In this new area, you are able to observe and control up to five players in real-time, including their manager and opponents. Manager Mode - Manager Mode brings your player and their team to life. Manage your team, manage your club, control your transfers, and manage your players on the pitch to lead your team to glory. Tactics Mode - In this new play-style, you can play alone, with a friend, or with a group of 5 other players online. Control the ball with the fully customizable tactical view, creating your own style of play by controlling the formation, substitutions, defensive and offensive lines. Receive all-new expert advice to help you build your tactical style and see the options you've been missing. Ability Draft - The ability to put your best players on the pitch at the same time. The new Manager Mode allows you to keep multiple players on the pitch at the same time and select any player to perform a tactical (temporary) substitution. Use this new concept to manage more players, but also to be more tactical. Social Hub - With
