Fifa 22 Features Key:

- New Approaches to Player Development - New features such as My Player let you customise your player build on the road to your chosen club by offering hundreds of new Pro Potential rewards, including goalkeeper and defensive upgrades.
- HyperMotion™ - FIFA 20 introduced an all-new technical approach, bringing next-generation physics to the most authentic aspects of the game, including player movement, ball flight, goalie techniques, and being tackled. All 22 real players were fitted with sensors, movement data is collected during a full season's worth of matches. Using this data, the game's simulation engine determines how to apply the influence of each player's unique touches and styles.
- The Darker Side of Beautiful Futbol - With UEFA EURO 2016 kicking off in France this summer, the game will embrace the sport's rich tradition and culture across stories and features. Experience a UEFA EURO 2020 tournament on your favourite turf, be part of new camera angles that show a whole new perspective of the action, and run your own club. FIFA Ultimate Team will receive brand new cards and player aesthetics throughout the entire year as a result of the World Cup.
- Card Styles Revolution - A massive and dynamic styles edit sees existing cards receive a complete overhaul and new cards added to FIFA 22. From classic Adidas models to Arsenal third jerseys, premium player designs to La Liga numbers, the universe of cards is bigger than ever before, and players and teams around the world can now be decked out in their favourite club crest.
- Club World Cup - As the host of FIFA World Cup France this summer, FIFA 19 will be joined by Club World Cup champions on the pitch from France, Uruguay, Brazil, the Netherlands and Mexico. Players will be able to compete for their respective club in the latest addition to the FIFA World Cup franchise, FIFA World Cup France.
- FIFA 2K and FIFA Mobile Updates - You'll be able to play with your favourite clubs in FUT and FIFA Mobile from June 17, with 3v3 UEFA EURO 2016 and the Champions League final also added to the FUT pack. FIFA 2K Masterclasses and The Master League tournament update will also be available from June 17.
- MLS - Little has changed on the gameplay side, but the biggest - and most obvious - development on the game is MLS, the most authentic soccer league in North America. FIFA and developer EA Canada teamed up to bring the lifestyle and passion of America
