X2 Player Motion System In addition to FIFA 20's new dribbling mechanics, FIFA 22 introduces a new "X2 Player Motion" system that captures real-world movement in every player to accurately recreate player's on-ball actions. This technology — which was pioneered by EA SPORTS and implemented in FIFA 19 — captures player movements during gameplay with motion capture technology for unprecedented player fidelity. Motion Capture Realistic Player Controls: 18 Clubs Teams The FIFA World Cup™ is back as EA SPORTS welcomes Germany, Argentina, Brazil, Mexico, France, Spain, Portugal, England, Colombia, Croatia, Denmark, Morocco, Uruguay, Iceland, Nigeria, Egypt and Senegal to the new FIFA World Cup™ series with more than 18 National Teams. Powered by new gameplay features, FIFA World Cup™ 2018 is the biggest and most ambitious FIFA game yet, giving players the ultimate football experience as they experience it all in-game. FIFA World Cup 2018 features a brand new First Touch Control system, which consists of a squad where your team plays and a coach that can be adjusted to your preferred strategy. You can change formations, substitutions, tactics, substitutions, set formations and tactics and use your tactics for the 90 minutes of the match. Man of the Match In addition, Man of the Match can be unlocked for all important matches and international fixtures and will be awarded to the player performing best in the match. Man of the Match is awarded based on a number of criteria, including, but not limited to: Goal of the match Assist of the match Saves of the match Tackles of the match Blocks of the match Take ons of the match Headline Performances of the match Cornerkicks of the match Diving/Balls of the match Fouls of the match Substitution of the match MOM also includes a new countdown and retrospective, making it easier to discover when the performance was earned. This year's highlights will be available in the Leaderboards. FIFA Ultimate Team FUT will feature a new Ultimate Legend feature, where you'll be able to collect and purchase legends in packs. These packs will include an increased amount of cash and the chance to get cards of some of the world's best players. You can also level up your FUT Ultimate Legend from a total of F

#### **What's new in Fifa 22:**

- **Agent play :**The “Agent” is a new tool within the Player Career mode that allows you to manage and grow your players, through all four seasons of a career. Grow your team, make them more skilled, buy better players, and see your team get better and better as you play.
- **The “Emotiv Ball”** returns for FIFA 22 in Career Mode and Online. The Emotiv Ball tracks all of your game activity and then maps to virtually any surface, so it can track even the non-traditional surfaces used for football.
- **“Touch Mechanics”** have been re-engineered, so you can now score more goals by performing technical actions like juggling or turning with the ball to create space, and more crafty ones like dummies and body feints.
- **Improve your ball-control** by using 360° movement to beat defenders and navigate tight situations.
- **Customise your Battlebox.** New challenges include modifiers including Knockdowns, “Level-bumpers” and an Early Warning System.
- **Ideal start moves** rework how/when attackers enter the box, aiming to give them better opportunities for shot creation, one-on-ones and goal scoring.
- **Include a new “Start Spot”** gameplay indicator that looks at early build-up, with the 3 best options on how to get started for your team.
- **Intelligent free kicks.** FIFA 22 is the first game in the franchise to introduce intelligent free kicks, as it predicts which player is more likely to attack and shoots accordingly, helping you score higher, better and more frequently.
- **Improved graphics.** FIFA 22 is the first game in the franchise to use a brand-new physics system that offers a higher level of detail across the pitch.”
