Features Key:

- * Speed: Live your best possible FIFA experience; thanks to HyperMotion Technology you can pull off spectacular long-range shots, powerful crosses, and speed moves in the blink of an eye. Watch the ball dance and flow right past the goalkeeper.
- Motion Capture: Watch all your favorite players move in real-time in the game and in new in-depth Player Intelligence - you can now learn multiple things about the players, learn when they will be in form, or across a range of strengths so you can build the best team possible. Discover new archetypes, watch match-day stats live to see which players are starting, and make informed player swaps during the game.
- Tactics: New and improved AI, using revolutionary Matchday Tactics, gives you control of all the gameplay in strategic ways that will help you make changes, implement tweaks, and make game-changing substitutions to turn the game in your favor - like a goalkeeper would.
- The Journey: The introduction of the highly realistic Player Journey will see you go through the highs and lows of your journey as a footballer. Watch your stats rise and fall - or remain constant - throughout your career, and keep an eye on the Society section which will help you develop your player as you go along. It's all built around what you do and earn within the game and what your future holds. Who will you be as you play?
- FIFA Ultimate Team: The biggest, most comprehensive update to FUT has been brought to FIFA 22.
- Brush the butterflies away and enjoy the ride!

What's new in Fifa 22:

- **Pivot Lunge** - After making its debut in FIFA 17, giving you more options in how you can defend, dribble and shoot, the Pivot Lunge has returned! Take on more challenges with your striker and central defender, and shift off the ball with the new Tactical Dealing feature, which allows you to make a judgment call on if the player's position warrants a switch. As the defensive midfielder/winger, use the new Defensive Creator feature to set up your midfield by placing players along the wings, in the middle, or even your central defenders.
- **More Winning Tackles** - As an attacking midfielder, try your luck by performing tackles in mid-air or risk it all in the air! Just use your right or left stick to perform tricky, overpowered full-on tackles which can be timed or timed to recover, attack, hold up the ball, or use new Powerful Defence which resets the play and gives the opportunity to restart possession.

New Player Faces - Ultimate Team and Create A Club

- **FIFA 22 delivers powerful features that make Ultimate Team even more enjoyable, whether you compete in Seasons, Leagues or both, and Create a Club even more deeply immersive.**

By now, you've probably seen one of the most-watched commercials of the year. The fast-paced music set to the opening credits of FIFA brings a new generation of fans into the game in a unique way. More videos like that are coming for FIFA 22—and fans will be able to unlock them all with a little help from your friends. Here are some details about FIFA 22: Player Impact We're bringing you fundamental gameplay advances on pitches around the world, including the All-Stars games and matches in the new Seasons, to allow for more authentic gameplay. For example, to mimic the speed of the real game, players have inertia, meaning they're not able to perfectly control the ball with pinpoint accuracy. Players also have more natural movement, to better replicate how they'd look in real life. A variety of new features also enhance gameplay: Virtual Reality: Play any mode in 360 VR. Experience the world in a whole new way. FIFA Ultimate Team Continuing the highly-requested features that made FIFA Ultimate Team (FUT) such an important part of FIFA, we're offering a new progression system that rewards you for every purchase you make. Need a real-life jersey, or a hand-painted painted jersey? Do it for your chance to win. For the first time, we're introducing premium actions (PA's) into FIFA Ultimate Team, allowing you to add almost any player you can dream up. Premium actions are only available from packs you've purchased, and you'll earn FUT progress points for completing PA's—including unlocking new players. We're also introducing a PA stat tracking system, so that when you complete a PA, you'll earn bronze, silver, or gold levels for the PA. Your bronze, silver and gold levels will allow you to unlock a set of unique avatars for your custom player. New Battlegrounds for all Modes What's next? FIFA on the beach, on ice, and on the pitch. We're bringing you a new set of Battlegrounds: Battlegrounds Mode In FIFA 17, we introduced the concept of custom set pieces—which transformed how you approached set plays. Set pieces have returned, and are more central to gameplay. Fans will be able to decide which types of
